

A detailed topographic map of the f.d.Kolneåsen area. The map features brown contour lines indicating elevation, green areas for forests, blue areas for water bodies, and orange areas for open land or fields. A network of roads and paths is shown in black. Six specific locations are highlighted with purple circles and numbered 1 through 6. Location 1 is near a large lake, location 2 is on a hill, location 3 is near a road, location 4 is near a small lake, location 5 is near a road, and location 6 is near a building. The map is oriented with North at the top.
